New Treatments

Indulgence Facial

Your journey begins with a Botanical Purifying cleanser followed by an exfoliation with our tourmaline radiant skin refiner. You will then be embraced with a warm scented towel using your own personal essence. Conclude your journey with a tourmaline charged masque.

55 minutes \$80

Soothing Eye Zone or Lip Treatment

Fatigued and puffy eyes will find comfort with a chilled plant and flower masque. Relax with fresh cucumbers infused with herbal tea. This botanical intervention will add a luminous sparkle to your eyes. Collagen infused lip treatment is used to minimize lines and wrinkles around the lip area. Giving you a refreshed feeling and youthful appearance.

25 minutes \$55

Add-on: This service can be added on to any of our other sensational facials for an additional \$40

Seaweed Hand and Feet

This nourishing masque is a complement to our classic manicure and pedicure service. A self-warming seaweed masque purifies and detoxifies your skin.

20 minutes \$25

Reflexology Footwork

Increase circulation and achieve a feeling of total well being by stimulating acupressure points on the feet that correspond with energy channels linked to all parts of the body.

25 minutes \$55

This service can be added on to any of our 55 minute or longer massage services for \$40.

For maximum comfort, do not shave on the day of your spa body treatment.
